Dear SRTA Candidates and Members,

Everyone is aware of the latest news about the Coronavirus (COVID-19) and SRTA is closely monitoring any new information that may be released. We understand that many people are taking the necessary precautions to prevent the spread of this virus. All of us at SRTA are doing everything we can to accommodate the changing environmental impact this virus has caused. Our number one priority is the health and safety of the patients, candidates, examiners and administrative staff.

Because of this, **SRTA has decided to postpone all examinations until April 13<sup>th</sup>, 2020.**

This decision was not made lightly, but we want to ensure that we are taking the appropriate actions to protect the public.

During this time, we recognize flexibility is more important than ever and SRTA is fully committed to serving our candidates. Our staff will work with candidates in rescheduling examinations at **no charge.** We will also work closely with our exam sites/schools' administration with future rescheduling dates. At this time, any examinations scheduled **after** April 13<sup>th</sup>, 2020 will continue as planned. However, we will keep you informed if there are any additional changes.

SRTA has always followed strict infection control guidelines at all our examinations and will continue these practices at future exams. We would also like to emphasize the importance of practicing healthy hygienic procedures such as proper hand washing, coughing into your elbow, and minimizing any face touching, etc.

Additionally, we are currently following the direction of the leading authority, Centers for Disease Control (CDC), and other health organizations to ensure we are doing everything we can to keep you safe and informed.

SRTA will continue to monitor this evolving situation and keep you informed of future updates.

If you have any questions or concerns, please contact Jessica Bui at [jbui@srta.org](mailto:jbui@srta.org) or Christina Lorenzo at [clorenzo@srta.org](mailto:clorenzo@srta.org).

Thank you for your understanding during this challenging time and look forward to seeing you at a future exam.

Thank you,

George C. Martin, DDS
