Dear SRTA Candidates,

With the fast-changing news regarding COVID-19, everyone is having to quickly make adjustments accordingly. SRTA is continuing to work closely with our examination sites with finding tentative dates for rescheduling, along with accommodating candidates in transferring their applications. Our number one priority continues to be the health and safety of the patients, candidates, examiners and administrative staff.

Due to new guidelines and restrictions announced by the CDC, **SRTA has now postponed all examinations until May 4th, 2020.**

Again, we want to ensure that appropriate actions are being taken to prevent the spread of this virus.

During these unprecedented times, SRTA will continue to remain flexible and accommodating to serve our candidates and examination sites. We will reschedule and transfer candidates at **no charge**. At this time, any examinations scheduled **after** May 4th, 2020 will continue as planned. However, we will keep you informed if there are any additional changes.

SRTA will continue to follow and monitor the direction from the Centers for Disease Control (CDC) and other health organizations to ensure we are doing everything we can to keep you safe and informed.

If you have any questions or concerns, please contact Jessica Bui at jbui@srta.org or Christina Lorenzo at clorenzo@srta.org.

Thank you for your understanding during these challenging times and look forward to seeing you at a future exam.

Thank you,
